

MBEOHIO LLC

CONSTRUCTION PROCUREMENT FOR THE ELECTRICAL FIELD

A minority-owned partner that sources, supplies, and delivers the electrical materials Ohio's contractors and public agencies build with — performing real procurement work, not a pass-through.

COMPANY OVERVIEW

MBEOhio LLC is a minority-owned construction procurement partner specializing in the electrical field. We source, supply, and deliver the electrical materials projects run on — and we perform the real procurement work behind every order: sourcing, negotiating, managing logistics, and standing behind delivery. Founded in October 2025 and headquartered in Ohio, we serve prime contractors and public agencies on city, state, and federal projects.

DIFFERENTIATORS

- Real procurement partner — we source and supply, performing a genuine commercially useful function
- Electrical-specialized — we know the gear, the lead times, and the suppliers
- Minority-owned; actively pursuing Ohio MBE certification
- Ohio-focused, with public procurement fluency

LEADERSHIP

Oscar Carvajal — Managing Member & Owner

James “Drew” Clark — Chief of Operations

Corey Dutiel — Chief Financial Officer

CORE COMPETENCIES

- Electrical materials sourcing & supply — gear, fixtures, long-lead equipment
- Supplier negotiation, qualification & purchase-order management
- Logistics, expediting & delivery coordination
- Bid, RFP & ITB support; public procurement compliance
- Spend visibility and audit-ready documentation
